FRAME DESIGN

The Explore E+ combines urban riding style with versatile performance that can handle rougher roads. The ALUXX aluminum frameset and a SyncDrive motor that's powered by Yamaha combine for great handling and smooth acceleration on a variety of road conditions. Designed for adaptability, Explore E+ gives riders the freedom to go wherever they want to go.

FEATURES

- SyncDrive Sport 80Nm central motor, powered by YAMAHA
- 400Wh Lithium-ion battery for longer range
- Shimano Deore 9-speed drivetrain
- Hydraulic disc brakes
- Color: black/indigo/red
